REGISTRATION DEADLINE (postmark) is seven days after your district's final MPA. Late fees are charged beginning the 8th day after the MPA. Because of the early date of this year's State MPA, all registrations must be postmarked by March 27. No applications can be accepted if postmarked after that date. It is suggested that if you are mailing your application the week of the final deadline, mail it "2nd day" to guarantee timely delivery, which will also help to expedite the scheduling of your school.

REGISTRATION includes completed Online Registration (including literature titles), and the following items mailed to Betty Jo Couch, FVA Business Manager: 1) completed Entry Form (found at FVA.net) signed by you and your principal; 2) event rosters (alphabetical lists of participants in each event); and 3) payment. Payment is a school or booster check or Money Order. **If a Purchase Order is submitted with the Entry Form, payment must be received by the Business Office no later than April 1.**

Again, because of the early date of State MPA, it is strongly recommended that if you anticipate attending, you request a Purchase Order now – if you wait until after your district event, it might be too late to get a check in time.

All Choral and S&E events will be included except Special Category Solo. Fees are as follows:

Choirs	\$145
Vocal/Piano Solo	\$20
Duet/Small Ens.	\$30
Large Ens.	\$35
Small Spec. Cat.	\$40
Large Spec. Cat.	\$50
Student Conductor	\$20
*Minimum Fee	\$50

SCHEDULE – Events will be scheduled Wednesday-Friday, April 14-16, first. Tuesday, April 13, will be added, if necessary, as an overflow day. For further correspondence regarding scheduling, contact:
