**All State recordings are available on compact discs. When a complete set of CDs has been purchased by your school site, you may then purchase additional CDs from that chorus set at the reduced price to obtain extra copies for students. Orders from the REDUCED column must be submitted by the choral director, chorus or booster club treasurer who will need to furnish the school campus "ship to" address. If not purchasing a complete set, please select the chorus level, then use the "PRICE" column. PAYMENT must accompany orders from individuals. We accept money orders, checks, and school purchase orders. Sorry, no credit cards. Please note the SHIPPING COST that will be added to each order.**
